Susan Su

No fee is believed to be due in connection with this amendment and response to Office Action. If, however, any fee is believed to be due, the Commissioner is authorized to charge any fees required in connection with the filing of this paper to account 500314.

**PETITION FOR CORRECTION OF INVENTORSHIP IN A PATENT APPLICATION
UNDER 37 C.F.R. 1.48 (AMENDED)**

This amended petition is submitted in response to the DECISION
ON PETITION UNDER 37 CFR 1.48 mailed to the Applicant's counsel by
the Commissioner for Patents on June 19, 2006.

Applicant has made the necessary corrections as requested by
the Commissioner for Patents and hereby re-petitions for correction
on of inventorship under 37 C.F.R. 1.48. with respect to the non-
provisional U.S. Patent Application Number 10/671,659. The desired

inventorship change is set forth below:

Full name of first joint inventor: CHUN TE YU

Full name of second joint inventor: CORY NYKOLUK

Previously, the sole named inventor for U.S. Patent Application Number 10/671,659 is CHUN TE YU. However, the correct inventorship should include a first and second named inventors for Patent Application Number 10/671,659. The error in inventorship occurred without deceptive intent on the part of the inventors, because the omitted inventor Mr. Cory Nukoluk recently found out that the named inventor Mr. Chun Te Yu inadvertently forgot to name him as a joint inventor for the 10/671,659 Non-Provisional Patent Application.

The applicant hereby this petition for correction of inventorship in a patent application under 37 C.F.R. 1.48:

1. Petition Fee (37 C.F.R. 1.17(iii))

☐ Attached is a check in the sum of:

☒ Online fee worksheet for \$130.00 will be submitted along with this petition.

2. The supporting declarations of Mr. Chun Te Yu **[Exhibit "A"]**, first named inventor and applicant, and Mr. Cory Nykoluk **[Exhibit "B"]**, second named inventor and applicant, are attached hereto.

3. A copy of the assignment and notice of recordation of assignment **[Exhibit "1"]** pertaining to Application No. 10/671,659, executed by Mr. Chun Te Yu, first named inventor and applicant, and Mr. Cory Nykoluk, second named inventor and applicant, are attached hereto.

Respectfully submitted,

Date: October 20, 2006
